U. N. Veto Power Bitterly Lashed By New Zealand

NEW YORK, Oct. 28 (AP)—Sir Carl Berendsen, New Zealand's minister to Washington, bitterly denounced the veto voting rule before the United Nations assembly today, declaring the peace organization now "can act only against a small power not supported by a great power."

In the most slashing attack yet made on the great power of the security council, Berendsen declared that small nations have "no voice and no vote" in the peace-keeping action, called the veto rule a "shotgun wedding" forced on the little countries and said "the great powers are trying to have their cake and eat it too."

He spoke in general debate after Jan Masaryk, foreign minister of Czechoslavia, describing his nation as being at the "crossroads of Europe, appealed for unanimous settlement of the veto issue here. Agreement among the powers, he said, will provide little countries "a much better chance."

Berendsen declared that the United Nations had come into the world with its hands manacled since the big-five — America, Britain, Russia, France and China—can block any move to change the charter. The whole assembly, but especially the big powers, he said, must soon take stock to see what chance there is of successful maintenance of peace by such a limited organization.

After hearing Berendsen, the assembly recessed until 4 p. m., with his royal highness, Prince Faisal Al Saud, foreign minister of Saudi Arabia, as the next scheduled speaker.

Truman Tells Jewish Stand To Arab King

WASHINGTON, Oct. 28 (AP) — President Truman has sent a message to King Ibn Saud of Saudi Arabia reiterating his belief that steps should be taken to insure the immediate substantial immigration of refugee Jews into Palestine.

He told the Arab leader that he could not agree with the latter's statement that there was inconsistency in the American position.

Replying to a letter received from Ibn Saud Oct. 15, the President wrote:

"With regard to the possibility envisaged by your majesty that force and violence may be used by Jews in aggressive schemes against the neighboring Arab countries, I can assure you that this government stands opposed to aggression of any kind or to employment of terrorism for political purposes. I may add, moreover, that I am convinced that responsible Jewish leaders do not contemplate a policy of aggression against the Arab countries adjacent to Palestine."

The President said he still adhered to the belief, "widely shared by the people of this country," that nothing would contribute more effectively to the alleviation of the plight of homeless Jews "than the authorization of the immediate entry of at least 100,000 of them to Palestine."

In a letter released by the White House today he reminded the Arab leader that no decision has been made on this proposal which he submitted originally to prime minister Attlee of Great Britain more than a year ago.

Gun-Carrying OPA Probers Not in Idaho

Gun-carrying OPA probers are not at work in Idaho, State OPA Director W. T. Lockwood told the Times-News Monday in denying reports that a special housing check-up squad was in Idaho.

Lockwood, reached at Boise by telephone, said Idaho OPA agents "are not authorized to carry arms in conjunction with their work."

His denial of the weapon-toting agents followed an article in the Army Times, which said that a specially trained force of OPA agents, empowered to make arrests and carry arms, had been sent into field areas to enforce a compliance drive for sale and rental of new houses built under the federal housing program.

Lockwood said the new home rental and sale compliance in Idaho is being handled through rent control offices. Veterans must be given first chance at such residences built with governmental priority.

FLASHES of LIFE

By Associated Press

MESSY

NEW YORK, Oct. 28—Heard in Brooklyn-Queens night court when four men were arraigned on a charge they smashed 3,600 eggs during a fight in a butter and egg store:

A magistrate: "This is certainly a scrambled mess."

A defense attorney: "That's no yolk."

Another attorney: "It's the biggest omelet in Brooklyn's history."

Pending another hearing Tuesday the four were paroled.

EMBARRASSING

ASTORIA, Ore., Oct. 28 — Coast guardsmen were incredulous when they were routed out to free the schooner Columbia from a river bar.

The schooner carries only river pilots, who meet all ships to pilot them across the treacherous Columbia river bar. Among those aboard was a veteran of 20 years piloting.

DECOY

MITCHELL, S. Dak., Oct. 28 — The lure of the city and—of all places a fur store—brought disaster to a coyote that strayed from his rural haunts.

When discovered, the animal was jumping excitedly at a Mitchell store window in which fur coats were displayed.

A bullet from Policeman Art Newman's pistol made one more fur available for the display.

DEAL

CENTRALIA, Ill., Oct. 28—Sgt. Robert E. Copeland has sent home autographs of the late nazi war criminals, explaining that he traded one cigarette each for signatures of Herman Goering and others. Copeland was a guard at the Nuernberg trials.

Reds Winning Election Held For Bulgaria

SOFIA, Oct. 28 (UP)—Incomplete returns from Bulgaria's parliamentary elections showed the communist party leading today with a clear majority of 55 per cent.

The communists, together with other fatherland front parties, on the basis of returns from 71 of 99 districts, seemed certain to have won 296 seats to 83 for the opposition.

The government announced that the voting yesterday was orderly. It said no violence was reported anywhere in Bulgaria.

In the partial returns the united opposition parties — socialists and agrarians—emerged as the second strongest group with about 30 per cent of the vote.

The center parties practically disappeared, with only a small percentage of votes. But it was not certain whether Premier Kimon Georgiev and other non-communist members of the government had failed of re-election.

In Sofia, 277,323 persons voted. The fatherland front won 24 seats and the opposition 11. The communists polled 141,942 votes and the united opposition 95,533. The small fatherland front parties got the rest.

Atom Control Board Named

WASHINGTON, Oct. 28 (AP) — President Truman today appointed David E. Lilienthal chairman of the atomic energy control commission with Gordon R. Clapp replacing him as chairman of the Tennessee valley authority.

The President announced to a news conference the following four other members of the commission:

Dr. Robert F. Bacher, Cornell university psyicist who has served as adviser to Bernard M. Baruch, U. S. representative on the United Nations atomic commission.

William W. Waymack, editor of the Des Moines (Iowa) Register and Tribune.

Lewis L. Strauss, a member of the New York banking firm of Kuhn, Loeb and company.

Sumner T. Pike of Maine, who recently resigned as a member of the securities and exchange commission because, he said, he was growing "stale" on the job.

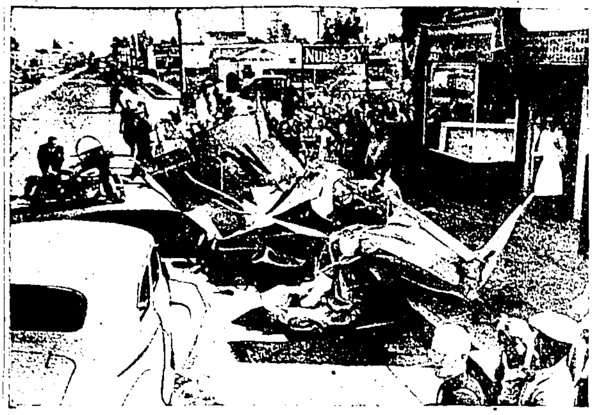
Police Praised In Capture of Assailant Here

The Twin Falls city police department has received a letter of appreciation from Nampa Police Chief J. R. McCarthy for the "splendid cooperation" which resulted in apprehension of Richard James Lake, 24, Chicago, Ill., confessed assailant and robber of a Nampa woman last Wednesday.

Lake was apprehended by Twin Falls city police Thursday on a downtown street, and he readily confessed to beating Mrs. Alice Dewey at Nampa before taking $4 from her purse and fleeing in her car. He returned to Nampa for prosecution.

Two previously undisclosed occurrences in the case were revealed here by Nampa authorities when they came for Lake. One is that, besides beating Mrs. Dewey, he also knocked senseless her six-year-old daughter when the child cried out. The other is that when he hurriedly ransacked her purse he overlooked $600 in cash and checks which she planned to use in financing a trip to St. Louis, Mo.

Plane Falls Into Busy Street



A crowd gathers around the wreckage of a light private plane which fell on this business district street in Los Angeles after colliding in the air with another plane. The woman pilot was killed. The plane struck the car at left, pushing it eight feet from the curb and injuring a man about to enter it. The other plane made a crash landing, injuring its two occupants. (AP wirephoto)

Cross-Section of Big, Little Taxpayers Shows Approval of Hospital Bond Plan

Those who will foot the bill for a new Twin Falls county general hospital Monday joined the swelling ranks of individuals and groups endorsing unreservedly the approaching hospital bond issue.

Representative taxpayers asked at random for an expression of opinion on the hospital proposal, to be voted upon by property owners Nov. 5, told of their reasoning on the matter.

H. F. Ramseyer, Filer, commented: "From a taxpayer's standpoint, I would say that the extra taxes necessary to secure a new, modern hospital for Twin Falls county would be secondary, compared to the benefits accruing and the present needs of our citizens. I would be for the bond issue for a new hospital, even if the costs were several times greater."

E. T. Sandmeyer, Buhl, had this to say: "The business men and farmers of this county are to be congratulated for their efforts in bringing about the opportunity for taxpayers to vote upon a new hospital. It has been needed for a long time, and I am wholeheartedly for the bond issue and a new hospital. I know that it will have to be paid for and I stand ready to provide my share, as it is a community obligation of every taxpayer of this county to give when called upon."

W. A. Colner, Hansen, said: "We certainly need additional hospital facilities in Twin Falls county, and the bond issue is an equitable method of financing them. I feel confident that taxpayers of Twin Falls county will take the necessary action to insure success of the bond issue. In this case, the need comes first and cost second."

W. B. Savage, Kimberly, observed: "We have never had anything worthwhile given to us yet, nor do we expect a new hospital for nothing. Certainly it will increase taxes a small amount but we need a new hospital and I am for it 100 per cent."

Ross French, Twin Falls, looks at it this way: "I own an acreage, am a mechanic and have a family of six. My present taxes are $50 per year, and the increase will amount to about a dollar and a half a year for a new hospital. Even if the taxes were 10 times this amount, however, I would still consider it a good investment.

"A working man must have hospital facilities at home, as he cannot take a month or six weeks to go to Portland or Salt Lake City or to take his family there, because it requires from $500 to $750 for expenses away from home when the cost here would be about half that amount, as our income stops when we are off the job. We would all like to think that we will never have to go to a hospital, but at the same time we know that sooner or later it will be necessary and we should plan for that day. I am certainly for the bond issue and a modern hospital for Twin Falls county."

Surprise Road Block Nabs 40 Huntsmen With 250 Illegal Birds; $1,093 Fines

BURLEY, Oct. 28—Probate Judge Henry W. Tucker was doing some heavy "paperwork" today in recording results of what law enforcement officials termed one of the most successful road blocks in fish and game conservation history.

Between 5 and 10 p.m. Sunday on the U. S. highway 30 between Declo and Malta, state conservation officers, state police officers and sheriff's deputies from Cassia, Minidoka and Twin Falls counties found 40 southbound motorists in illegal possession of some 250 pheasants.

To expedite procedure, Judge Tucker sat in an automobile near the road block, and, as arrests were made, the hunters appeared before the court and entered their pleas. All but one pleaded guilty, because, as one officer put it, "What else could they do?"

One "sportsman" had 34 birds in his possession.

The limit is three male pheasants.

Tabulations by Judge Tucker show that $1,093 in fines was collected.

Most of the violators were from Utah and were en route home with the fruits of the chase.

Most common violations were unlawful possession over the bag limit, transport of dressed pheasants and improper licenses by out-of-staters who had purchased only resident licenses.

The pheasants confiscated will be turned over to charity.

Legion Attack on Leguineche Takes Limelight in Campaign

By United Press

The Democrats' congressional candidate in the second district stood in the political limelight Monday as the object of a sensational attack, which brought rebuttals from himself and the Democrat party chairman.

Pete Leguineche, 30-year-old candidate for congress, was attacked in an address by William F. Galloway, Idaho American Legion commander, who did not refer to the Boise lawyer by name, but called him a "young non-veteran . . . congressional candidate" who is "controlled by a communist labor group."

Galloway is a Democrat.

He called for Leguineche's defeat saying he has given people the impression he is a veteran and "we want it understood that the welfare of veterans does not depend upon the election of this youthful flag-waving non-veteran."

Galloway attacked Leguineche in an address before a district Legion convention at Meridian Saturday night. At the same meeting, Grant Hess, Idaho commander of the Disabled American Veterans, congratulated Galloway for his stand and said the DAV will "fight along side the Legion in this program to defeat Leguineche."

Leguineche, in his own defense, said he was rejected for "military service in both the army and navy because I could not meet the minimum weight requirements."

He said he would not attack his opponent (John Sanborn) or any other candidate "in this election on any grounds other than their stand on public issues. That is the way I believe a campaign for public office should be conducted and . . . if that is un-American then I stand convicted."

Democrat Chairman Dan Cavanagh condemned the Republican party for reaching what he termed "an all-time low in Idaho politics in the methods it has adopted."

Cavanagh said he had never seen the equal of "this Republican campaign attempting to smear candidates of the Democrat ticket and to impugn their character."

Car Wrecked by Blowout; 4 Hurt

GOODING, Oct. 28—Four Gooding men were taken to the hospital here and the car in which they were riding was demolished early Sunday when a tire blew out eight miles northeast of Gooding. Two of the men have been dismissed from the hospital.

Driver of the 1940 coach was Charley Vipperman who sustained a serious back and shoulder strain. Riding with him were LeRoy Lowman, who received head lacerations, and Bob Chriswisser and Earl Flagle. The last two men were dismissed from the hospital Sunday.

No other auto was involved in the accident, according to Deputy Sheriff A. L. Sloat, who estimated that the car must have overturned two times.

Citizens Collect Piles of Garbage

NEW ORLEANS, Oct. 28 (AP) — Volunteer citizens, donning old clothes and cotton gloves, mounted garbage trucks under police protection here today and collected a five-day accumulation of rubbish in a strike of 300 garbage collectors.

Participating were Tulane university students, business men, civic club members and others. There was no disturbance as the morning collection got under way.

Mayor DeLesseps S. Morrison and Property Commissioner Theo O. Hotard, who fired the striking collectors Saturday, donned fatigue uniforms and supervised the job.

They declared that the workers, engaged in a dispute over extra pay, had quit their jobs.

HOLIDAYS PROCLAIMED

WASHINGTON, Oct. 28 (AP) — President Truman today called upon the nation to renew its efforts to obtain lasting peace as he issued proclamations designating Nov. 11 Armistice day and Nov. 28 Thanksgiving day.

British Thieves Take Gems, Furs

LONDON, Oct. 28 (AP)—Gem and fur thieves, striking again in London, looted two homes of $20,000 in valuables over the weekend. Adelaide Hall, American-born singer, was robbed of an ermine coat and cape, a silver fox fur and $12,000 worth of jewelry by burglars who jimmied open her front door while she and her husband dined with a neighbor.

David Lowe, British customs official, lost $3,000 in jewels to thieves who apparently climbed through his kitchen window while he and his wife were out to dinner.

Meanwhile, officials of the royal palace of St. James disclosed that $3,200 worth of diamonds reported stolen Saturday "have been found intact in the palace."

Sea Strike Ends; Violence Flares

By United Press

The nation's costliest shipping strike ended on the east and gulf coasts today, but labor troubles mounted as violence flared at the Allis-Chalmers Milwaukee plant.

The Allis-Chalmers company notified Gov. Walter S. Goodland that local police were unable to open lanes through picket lines blocking a back-to-work movement at the Milwaukee farm equipment plant.

Crisis Nearing in Pre-Election Coal Strike for Nation

WASHINGTON, Oct. 28 (AP)—The pre-election coal crisis headed into the showdown stage today between John L. Lewis and the Truman administration.

While Lewis appeared to be on something of a spot with his implied threat of a walkout by his 400,000 soft coal miners Friday, the immediate pressure was on the White House. The big decision that has to be made there is whether (1) to give in again—as the government did when Secretary of Interior J. A. Krug signed a contract with Lewis last spring to end that 59-day strike—or (2) to let the miners quit work four days before the elections and take whatever political consequences there might be.

Krug, who declined last week to break off his western inspection tour to meet Lewis here on the Friday deadline, still holds the top presidential assignment to solve the dispute.

Helping out are Reconversion Director John R. Steelman and George Washington of the solicitor general's office, who is poring over the Krug-Lewis agreement of last May to determine whether the United Mine Workers' chief is right in saying that his contract with the government can be reopened Nov. 1.

Krug contends it was to be in force for the entire period of government operation of the mines. But Lewis insists that a termination clause in his last contract with the operators, which he voided last March 31, had been carried over into the government pact.

Lewis, accusing the federal coal mines administration of breaching the Krug-Lewis contract, through "misinterpretations," wants to begin negotiating Friday for a new agreement—calling for higher wages or possibly a shorter work week without loss in pay.

Further, the UMW boss says if [illegible] fails to [illegible] for the Nov. 1 [illegible] contract will [illegible] instead of Nov. [illegible] indicated he planned [illegible] the government agreement.

Parley Slated

WASHINGTON, Oct. 28 (AP)—John L. Lewis said today the government has agreed to a joint meeting on Friday, Nov. 1, and that the present contract between Secretary Krug and the United Mine Workers will continue effective during negotiations.

Der Bungle

NAMPA, Oct. 28 (AP)—A Nampa hunter, Clyde Keithly, cousin of the man near whose place the incident occurred yesterday at Midvale, Ida., vouches for this one:

Bing Crosby shot a little girl's tame mallard duck in a pond across the road from the house where the child was seen by others crying in the window. The duck, formerly wild, was tamed after it had been winged by a hunter two years ago.

Crosby retrieved the duck and the car drove on, evidently without the famous crooner's knowing he hadn't bagged a wild one.

Southerners May Help in Potato Crisis

White southern laborers will be rushed to Twin Falls county to help in the harvesting of potatoes and sugar beets if adequate housing accommodations can be found, County Agent Jack P. Smith said Monday.

The laborers are nearly completed with the harvesting around Idaho Falls and farmers providing housing for them here will be able to receive contingents of the southern laborers, Smith said.

R. K. Pierson, state extension service labor official, was to be notified late this afternoon how many Twin Falls county farmers can furnish housing so that the extension service could bring only those southerners here who are assured living accomodations.

An estimated 50 Twin Falls county farmers jammed the U. S. employment service office Monday morning for laborers as schools reconvened, shutting off a major supply of potato pickers.

Hugh Nelson, USES counsellor, said Monday that farmers filed requests for pickers for potato plots totalling 306 acres on Twin Falls rural routes. Several other hundred acres of potatoes still are not harvested, he declared.

Nelson estimated that the potato crop is "about 50 per cent harvested" and with light snow flurries reported Sunday evening in Twin Falls county he said that possibility of potatoes being frozen in the ground was enhanced.

O. J. Bellwood, assistant farm labor supervisor, pointed out that the labor contracts with white southerners provides that they must be housed on the farms. Housing of the southerners at the Twin Falls labor camp would not be possible, he said.

Warning Over Food Problem Given to U. N.

WASHINGTON, Oct. 28 (UP) — UNRRA Director General Fiorello H. LaGuardia said today that prompt United Nations action is needed to avert a new food crisis which he said may shatter Europe's and China's "precariously poised financial structure."

Despite larger food crops this year, LaGuardia said, neither China nor UNRRA-aided eastern European countries will be self-sufficient.

Calling for effective international aid, he said they must be given grants or loans to finance imports once UNRRA is dissolved.

"If imports cannot be financed," he said, "these countries may well face another food crisis in 1947 which would set back their slowly recovering industry and shatter their precariously poised financial structure."

LaGuardia's warning was included in a report to Secretary General Trygve Lie of the United Nations. It covered economic recovery in the nations which will get the bulk of $3,500,000,000 UNRRA is spending for relief and rehabilitation.

The report was the most detailed economic appraisal of eastern Europe and China published since the war.

British Slow to Spend U. S. Loan

WASHINGTON, Oct. 28 (AP) — Britain has drawn upon this country for another $200,000,000 of the $3,750,000,000 loan granted her by the last congress, treasury reports disclosed today.

It was the third time Britain has tapped the credit since it became available at mid-July, and it brought to $600,000,000 the total of funds taken out by that country for purchases.

West Reports Snowfall and Cold Weather

By The Associated Press

As the eastern and southern portions of the nations basked today in unseasonably warm Indian summer weather, the northwest and northern plains states shivered in temperatures ranging down to below zero levels, Idaho had snow and rain fell in Utah.

Fair weather, with temperatures mostly in the 70s and 80s, covered the east, the south and the central plains states, and forecasts indicated it would continue for at least a day or two longer.

In contrast, cold weather covered the northwest and the northern plains states. Cut Bank, Mont., with 13 inches of snow on the ground, reported a high yesterday of 23 degrees and a low this morning of five below zero. Snow also was reported in most of Idaho, Montana, North Dakota and northern Nevada.

Snow also fell along the Utah-Idaho border, with parts of southern Idaho getting a thick white blanket. American Falls reported four inches. Southeastern Idaho got rain and snow with 1.55 inches of precipitation along Bear river.

Jackson, Wyo., was buried under 15 inches of snow.

Snow also fell in the mountains of Utah, with 12 inches of new flakes boosting the total on the ground to 30 inches at Alta, in the Wasatch mountains southeast of Salt Lake City.

The storm worried sugar beet growers, officials reporting that much of the crop remained unharvested.

Chinese Move Toward Town Full of Reds

PEIPING, Oct. 28 (AP)—Wily Gen. Tu Li-ming scored one of the biggest surprises of the civil war today by launching a two-pronged offensive by Chinese government troops against Dalren, the chief port of Manchuria, in a move to control the entire south Manchurian coast and cut off the Chinese communists from support by sea.

The communists and everyone else expected Tu to resume his northward advance toward Harbin in central Manchuria. But instead he sent two armies southward down the Liaotung peninsula from Anshan and Antung to catch the enemy napping. Icy weather in the north may have dictated the change in strategy.

Both prongs were approximately 90 miles from Dairen, the big seaport 30 miles from the Russian naval base of Port Arthur.

Capture of Dairen probably would pose international complications. Travelers from that area have reported the city full of Soviet troops, and there was a question whether in that case nationalist troops would be welcome.

FBI Finishes Probe of Gas Cost in Idaho

WASHINGTON, Oct. 28 (AP)—The FBI has completed an investigation of Idaho gasoline prices, it informed the office of Rep. Dworshak, R., Ida., today.

Dworshak asked the justice department last September to look into the matter. He contended prices in Idaho showed considerable variance and were higher than those of nearby states.

Assistant Attorney General Wendell Berge, head of the department's anti-trust division, was not immediately available for comment as to the department's next move.

BLACKFOOT APPROVES

JEROME, Oct. 28 — Backing of the Blackfoot Chamber of Commerce on the proposal to investigate the high price of gasoline in Idaho was assured the Jerome Chamber of Commerce today, according to LeRoy A. Frazier, secretary.

The Jerome chamber had circulated a resolution to other clubs throughout the state urging the backing of the anti-trust probe.

Union Blasts At Politics in Roads System

BOISE, Oct. 28 (AP)—A demand that the state legislature remove state highway employes from "the present political patronage system" was included in a three-point program adopted yesterday at an Idaho council meeting of the American Federation of State, County and Municipal Employes.

The council also pledged itself to "an aggressive program" of organizing all peace officers in the state and all employes at the state's three mental hospitals.

Seek Efficiency

Leo Archibald, Pocatello, who was elected president of the council, said the union aimed to "put the bureau of highways on a more efficient basis. The present system is wasting taxpayers' money and gives no security to employes. After the department is cleaned up, we aim to keep it that way through a strong union organization."

Archibald said the highway department was subject to political pressures under both Republican and Democratic administrations.

Drive Mapped

Emmett Jones, Coeur d'Alene, state representative for the council, said the union's organization drive would "concentrate on state hospital employes and the peace officers because their pay is sub-standard and they have no security whatsoever in jobs or salary."

Jones reported to the council that there are now nine local unions in the council. They have been formed by the state hospital workers at Blackfoot, the state prison guards in Boise, city employes in Lewiston, peace officers in Coeur d'Alene, and the five state highway districts with headquarters in Pocatello, Shoshone, Boise, Lewiston and Coeur d'Alene.

No Justice—but He Did All Right

There isn't any justice.

(Or is there? It all depends on whether you look at it from the viewpoint of the pheasant or the hunter).

Don Robertson, who is somewhat of a hunter, went out all day Saturday fully equipped and brought back nary a pheasant.

Sunday morning in another capacity—that of co-chairman of the approaching fifth district American Legion convention—he went out to gather cornstalks for the Halloween decoration motif. While stomping around through the cornstalks he ran across a big rooster pheasant, reached out and grabbed it and wrung its neck.

Southerners May Help in Potato Crisis

(From Page One)

Smith declared that the white laborers, most of whom come from Oklahoma, Kansas and Missouri, would be available for work in Twin Falls "as soon as the harvest in Idaho Falls is completed."

Many farmers were reported Monday to have been urging that Twin Falls schools again close for an additional week to help with the harvest.

Bellwood said that efforts will be made to get the state extension office to give more time to Twin Falls county farmers so that a better response for housing accommodation offers could be received.

Early-Day Tract Financier Passes

An early day financier who played a major role in development of the north side project, the first power project here and the Salmon tract died in Los Angeles at the age of 75.

He was David C. MacWatters, who was manager of the J. S. and W. S. Kuhn interests in this area and who had moved to Los Angeles 30 years ago.

Word of Mr. MacWatters' death after a prolonged illness was received by J. H. Seaver, sr., a former associate in early days of this region.

Mr. MacWatters had been chairman of the Los Angeles chapter of the American Red Cross for 23 years before retiring in 1940. He was prominent in the Los Angeles Community Chest since its inception in 1924 and was a member of the board of directors as well as serving as secretary general for nine years.

While representing the Kuhn financial interests of Pittsburgh he lived and had his offices at Milner.

His wife, Mrs. Mildred MacWatters, survives him.

Death Comes for Mrs. Schwing, 74

HOLLISTER, Oct. 28—Catherine Schwing, 74, resident of Idaho since 1892, died at a Twin Falls rest home at 5 a. m. Sunday following a long illness.

She was born July 9, 1872 in Scranton, Pa., and had made her home in Hollister for the past 31 years. Mrs. Schwing first moved to Idaho from Colorado in 1892 and from Buhl to Hollister in 1915.

She was a member of the Presbyterian church. Her husband, John G. Schwing, preceded her in death in 1936.

Survivors include the following children, Mrs. J. H. Caldwell, Amsterdam; Mrs. R. E. Weaver, Eugene, Ore. and Forrest L. Schwing, San Francisco; a brother, F. J. Broll, Palisades, Colo., and half brother, J. T. O'Fallon, Alhambra, Calif., and a sister, Mrs. Mary Griffith, Palisades.

Funeral services have been set for 2:30 p. m. Wednesday at the Reynolds funeral home chapel. The Rev. George L. Clark, Presbyterian minister, will officiate. Burial will be in the Filer Odd Fellows cemetery.

Joseph S. Gourley Dies in Wooster

Mrs. Juneau H. Shinn, Twin Falls, and John S. Gourley, Filer, left Monday for Wooster, O., where they were called by the death Sunday of their brother, Dr. Joseph H. Gourley, one time part owner in the Gourley orchards north of Filer.

Dr. Gourley was head of the department of horticulture and forestry at the Ohio State university, Columbus, as well as chief of the horticultural department of the Ohio experiment station, Wooster.

He was the son of the late Dr. John Gourley, who was first pastor of the Twin Falls Presbyterian church. Funeral services will be held Tuesday at Wooster.

The Hospital

No emergency beds were available at the Twin Falls county general hospital on Monday.

ADMITTED

W. F. Hine, Filer; Mrs. Chester Wiggins, Buhl; Mrs. Herbert Allard, Hansen; Mrs. James Dayley, Burley; Mrs. Robert Shouse, Jerome, and Mrs. Donald Bell and Mrs. V. Garnand, Twin Falls.

DISMISSED

Bobby Pierce, Eden; Bobby Harshberger, Filer; Elaine Metzler, Jerome; Mrs. J. T. Anderson and daughter and Mrs. Paul Mestor and daughter, Twin Falls; Mrs. Laura Quist, Mrs. Ivan Winn and son, and Mrs. C. E. Freeman and Mrs. DeLawrence Gline and daughter, all of Buhl.

Weather

Twin Falls and vicinity—Mostly cloudy today and Tuesday with occasional rain or snow. High yesterday 41, low 33. Low this morning 29. Precipitation: Trace.

Business Man, 56, Passes Suddenly

GOODING, Oct. 28—Thomas Chalmers, 56, died suddenly early Sunday at the Gooding hospital. He had worked the previous day in the New York dry goods store which he owned here.

Born June 15, 1890, in Blantyre, Scotland, he came to this country at the age of 18 and made his home in Greenville, Ill., where he was employed as an accountant.

He came west two years ago, living briefly in Washington and Boise before settling here. He was a member of the Presbyterian church. Survivors include his wife and a niece, Christian Chalmers, Gooding, who has made her home with the couple.

Mrs. Chalmers had left last week for an extended visit in the east. She was contacted in St. Louis, and arrived here Sunday by plane. She will return to Greenville with the body for services there Thursday. Arrangements are in charge of the Thompson funeral chapel.

Rancher at Buhl Succumbs at 78

BUHL, Oct. 28—William Martin Goodhue, 78, Buhl rancher and cattle buyer, died at his home Sunday afternoon following an illness of five weeks. He was born in Odell, Ill., Aug. 27, 1868. In 1911 he moved here from Roy, Colo., and the following year moved back to Roy where he resided until 1914 when he returned to Buhl. He has lived here ever since.

Mr. Goodhue retired eight years ago. He is survived by his wife and two sons, Clarence and John, both of Buhl; five grandchildren and three great grandchildren; brother, Julian, Washington, D. C., and sister, Mrs. Edith Simonds, Riverside, Calif.

Funeral services will be at 2 p. m. Wednesday at the Albertson funeral chapel with the Rev. Max E. Greenlee, Presbyterian pastor, officiating. Burial will be in the Buhl cemetery.

Accused Autoist Pleads Thursday

Charged with driving while intoxicated following an arrest at 7:10 p.m. Friday by Twin Falls city police, M. O. McVey, 43, Twin Falls, requested statutory time in which to enter a plea when he appeared before Municipal Judge J. O. Pumphrey Saturday and was released upon posting $150 appearance bond.

Appearing Monday through his attorneys, he was granted an extension of time for entering plea until Oct. 31.

His attorneys are Parry, Keenan, Robertson and Daly.

Records show that he was apprehended at the intersection of Third street and Main avenue east.

In the past ten years American labor unions have tripled their membership — from 4,700,000 to 15,000,000.

Man, Hurled In Canal, Gets Minor Injury

Myland Quiggle, 25, Twin Falls motorist who was hurled into icy canal waters early Sunday, escaped uninjured except for a bruised nose in the potentially serious freak accident two and one-half miles south of Twin Falls, according to Deputy Sheriff Ed F. Hall.

The accident occurred at 2:30 a.m. when Quiggle, driving a 1936 coupe, struck the left side of the steel bridge across the low-line canal while traveling south. The impact with the bridge tore the left rear fender and wheel from his car, as well as the left door.

The coupe then swung around and struck the right side of the bridge near the opposite bank and landed on the shore of the canal, hurling Quiggle about eight feet down the bank into the water. The entire differential of the coupe was also torn out in the process.

Quiggle clambered out of the cold water and went to the James W. Messersmith ranch nearby where he was given a change of clothing.

Meanwhile, Deputy Hall, who had been called to the scene of the accident, did not know that Quiggle had gotten out of the canal under his own power and he was still engaged in searching for Quiggle when the driver returned to the scene after receiving the change of clothes.

Probate Court to Hear 2 Petitions

Petition by Alice E. Warren, Sacramento, Calif., for appointment of Richard F. Davis as administrator of the $7,500 estate of her mother, Edith A. Irish, has been filed in Twin Falls county probate court.

The petition shows Mrs. Irish died Oct. 6, and that no will has been found. Hearing on the request has been set for 10 a.m. Nov. 7 by Judge S. T. Hamilton. Attorney is Harry Povey, Twin Falls.

Two lots in Buhl are included in the estate of J. C. Nason, who died Nov. 3, 1941, and Edith W. Nason, who died June 9, 1946, according to a petition filed. The estate's value approximates $2,000.

The petitioner, Harry W. Webber, Buhl, was Mrs. Nason's brother. The hearing was set for 10 a.m. Wednesday, Nov. 6. J. W. Taylor is the petitioner's attorney.

The heirs include two daughters: Mrs. Edith Schreiber, Gooding, and Mrs. Carol Bruta, Denver, Colo.; the petitioner, Stanley A. Webber, Buhl, and N. B. Webber, Detroit, Mich.

Bikes Impounded, Cyclists Warned

There is already a good supply of riderless bicycles at the Twin Falls police station and there will be a lot more bikeless riders unless local cyclists stop leaving their machines lying on the public sidewalks, Police Chief Howard Gillette pointed out.

Bicycles found lying on the sidewalks, where they are a hazard and a nuisance for pedestrians, will be impounded for 10 days by city police, the chief pointed out.

Proper disposition of bicycles in the downtown district while not being ridden is to park them in the safety zones next to the curbs at the end of various city blocks.

Auto Mishaps Bring Damage

The past week-end brought a sprinkling of traffic accidents on Twin Falls streets, reports of investigating city police showed Monday.

Early Saturday afternoon, a 1937 sedan driven by Lethan Zinn, 30, 215 Adams street, Twin Falls, and a truck operated by Clyde Guffey, 57, 324 Main avenue west, Twin Falls, collided at the intersection of Fourth street west and Sixth avenue west. Shirley Zinn, age 10, sustained a cut on the inside of her lower lip in the accident. Front and left side of the Zinn car were damaged, as were the right running board and battery carrier of the truck.

Intersection Mishap

Another intersection collision occurred at 6:31 p. m. Sunday at Main avenue and Fifth street east when Mrs. Jewel K. Kruckenburg, route 1, Kimberly, was making a U turn and was struck by a 1935 model car driven by Betty Lou Powell, Twin Falls. The report of investigating officers shows that Mrs. Kruckenburg failed to signal. Left front fender of the Kimberly coupe and right front fender of the Powell machine were damaged.

Five Points east was the scene of a collision at 8:07 a. m. Monday, involving cars driven by Mrs. Ralph Durfee, route 3, Twin Falls, and Howard E. Conrad, Kimberly. Right rear fender, door and tire of the Conrad car were damaged, and the front of the Durfee vehicle was damaged.

At 9:45 a. m. Monday, Fred J. Halbert, 411 Third avenue west, reported to city police that the Checker cab he was driving scraped a fender of a machine driven by Ben Yonemura when Yonemura stopped for an oncoming car. The Yonemura machine is a five-passenger coupe.

Baker Goes Back To 16-Ounce Loaf

Subsequent to the announcement that department of agriculture controls on the weight of bread loaves were "scotched" Friday, one of three Twin Falls bakers said that he would immediately start baking 16 ounce loaves again. (The government food order, now spiked, required reduction by 10 per cent of the standard one pound loaf.)

S. H. Graves, operator of the Royal bakery, indicated that he will resume baking pre-war weight loaves of bread straightway. Frederick W. Schweickhardt, proprietor of Schweickhardt's bakery, declared that he returned to the 16-ounce standard "some weeks ago," when he raised his price.

"With the price of flour as high as it is," asserted Herbert E. Nussgen, of the Electric bakery, "we'll keep on making our 14 and one-half ounce loaf awhile."

Building Levels Settle at $12,577 For Past Week

Building permit applications leveled off at a total of $12,577.50 during the past week, according to records at the Twin Falls city clerk's office.

This figure is below that for the preceding week, which reached $21,067.50, but is above that for the week ended Oct. 12 when an $8,497.50 total was recorded.

Two permit applications filed Saturday pertained to work on private garages.

Mrs. A. L. Carrier will build a 20 by 24 garage at 130 Addison avenue west for $500, her application shows.

Remodeling of a garage into living quarters is planned by Mrs. Harry Hudson for $200. Location of this 11 by 12-foot structure is 1425 Fifth avenue east.

Three new dwellings will be raised if permission is granted to applicants who filed Friday.

Plans for a 20 by 24 cinder block garage to be used as temporary living quarters are being made by Robert E. Robbins, Twin Falls. Structure will be built on Elizabeth boulevard near Morningside drive at a cost of $1,000.

After tearing down a shed and a garage, J. A. Boyd, Twin Falls, intends to use the lumber from both in constructing a 12 by 24 house to cost $200 at the corner of Highland avenue and Lois street.

Ernest N. Lytle, 284 Monroe street, proposes building a 30 by 20 house to cost $600. The cinder block dwelling will be situated on Tyler street near Heyburn avenue.

Marine Platoon Photos Available

A photograph of Pvt. Todd R. Paddock taken on the marine corps parade ground at San Diego has been received at the local recruiting office. The Paddock family lived in Twin Falls about 10 years. Paddock enlisted in the all-Idaho platoon last summer.

PADDOCK

Paddock's elder brother, Hubert, served in the marines during the war. Their father, Hubert N. Paddock, was a supervisor of the department of public assistance before he left to become an American Red Cross field director. He was first stationed at Mountain Home airbase and later at Farragut naval training station.

S Sgt. Ted Letendre, in charge of the marine recruiting station, has announced that a series of three photographs of the Idaho platoon are available free to parents of its members. The pictures were taken during the platoon's first two weeks in the corps. They can be obtained by calling or writing Sergeant Letendre, room 304, Orpheum building, phone 2134.

Free Diagnosis Of Deafness

New "Hearing-Lenses" To Be Demonstrated In Twin Falls & Rupert

D. D. Parish, expert Acoustician, will be in Twin Falls, Wednesday, Oct. 30, to offer free diagnosis to people who are hard of hearing, at the Rogerson Hotel, from 10 a. m. to 6 p. m. and in Rupert at the Caledonian Hotel on Friday, Nov. 1.

Parish will employ the new Acousticon "speech-hearing test" in diagnosing the various conditions of deafness which confront him. This test, he said is based upon the latest scientific research in the field of sound, and has been perfected during the war years.

"New Hearing Lenses" Here!

"One of the most amazing scientific discoveries made during the war," said Parish, "resulted in a development called 'Hearing Lenses' . . . actual lenses which may be fitted to the ear just like glasses are fitted to the eyes, to correct the particular type of defective hearing in each individual."

Parish will offer a free demonstration of these new "lenses" during his clinic. He pointed out that they are now available for practical use, having been developed by America's oldest manufacturer of hearing aids, the Acousticon company. Their most recent use has been perfected in the new Acousticon "Super-Power" Uhipac.

It was emphasized that Parish's demonstration and hearing tests demand absolutely no obligation on the part of people who attend. He also suggested that those unable to come to the Rogerson or Caledonian may phone him at the hotels 330 in Twin Falls or 134 Rupert and that he would provide private appointments at individual homes of as many as possible.—Adv.

ON THE SPORT FRONT

By GEORGE F. REDMOND

Ye Olde Sport Scrivener gets nosey (did you ever see his proboscis?) and drags a few things right out of the old feed box.

The recent New York Yankee-Cleveland Indian swap had Twin Falls Cowboy ramification . . . Here's how: So impressed was Frank Lane, western representative of the Yankees, with Hal Loewe, the Cowboy shortstop, when he saw him perform at Salt Lake City last summer that he recommended that the New Yorkers allow the Kansas City Blues third-sacker, Eddie Bockman, go to the Indians for $15,000 in the deal that sent Joe Gordon to the Cleveland for pitcher Allie Reynolds . . . He was depending on Loewe to fill the spot vacated by the American association's top third sacker and eventually for the Yanks, who also are none too strong there . . . And that's why the Yanks' Kansas City satellite was eager to pay $3,000 for Loewe, a Pioneer league record.

President Maury Doerr of the Cowboys had better hurry up . . . Seventeen players already are under contract to the Ogden Reds for 1947 . . . Included are Catchers Guy Wellman, Gilbert Bennett and William Whitehorn; Pitchers Billy Waters, Robert Sanders, Johnny McCarthy, Charles Courtier, Harold LeRoy, Bill Ellis and Raymond Bloemker; Infielders Carl E. Bush, Albert Larson, Edward Adamczyk, Jess McWilliams and Ray Mederios, and Outfielders Marvin Trost and Robert McHenry.

Manager Bill Brenzel of the Pocatello club is tagged for assignment to Decatur of the Three-I and will have plenty of company from the 1946 Cardinals. Assigned with him are First Baseman Bob Williams, Shortstop Bill Jacobsen, Pitchers Joe Stacey and Jim Glimpse and Outfielder Bernard Waterman. . . At a farewell party, Manager Brenzel was given a check for $300 by Pocatello fans to cover his family's hotel bill after they were unable to find a house or apartment.

Jack Lohrke, the former Cowboy infielder that San Diego sold to the Braves, is playing with the Burbank, Calif., Merchants' Sunday afternoon team, in the winter circuit.

Business Manager Mike Carpenter of the Pocatello Pioneer League club is spending a month's vacation visiting his parents in St. Louis. . . Carpenter probably will be assigned elsewhere in the St. Louis Cardinals' organization next season.

AND THAT'S THAT FOR NOW, except: Now go and get your pheasant and duck.

Paul Brown's Clevelanders Finally Lose

NEW YORK, Oct. 28 (AP)—The cloak of invincibility has been stripped from the Cleveland Browns, leaving the All-America conference without an unbeaten team for the first time in its two-month career.

Paul Brown's Cleveland club remains a cinch to cop the western division title unless it falls apart at the seams but it no longer rates as a superman organization.

San Francisco's 49ers rubbed the noses of the Browns in the turf of their own municipal stadium, 34-20, right in front of 70,385 wild customers who had gathered for another Roman holiday and an eighth straight victory.

What started out mildly enough with a first-quarter field goal by Joe Vetrano of the 49ers suddenly became an alarming 20-6 Cleveland deficit at half time. They never could get even, each scoring twice in the second half.

Still two full games behind the Browns with six to go, the 49ers' cause is anything but bright, despite the brilliant southpaw passing of Frankie Albert, former Stanford great, who put the whammy on the home club by completing 14 of 21 passes for 180 yards and three touchdowns.

Spec Sanders hit his peak with a three-touchdown spree for New York that subdued the Los Angeles Dons, 31-17, and strengthened the Yanks' eastern division lead.

It was a day of records in the new circuit, Sanders' 103-yard gallop being the longest by any player and Buffalo's 49-17 rout of the Chicago Rockets establishing a new scoring high.

CHICAGO BEARS BEATEN

NEW YORK, Oct. 28 (AP)—Races in the two divisions of the National football league were tightened considerably today as a result of Steve Owen's New York Giants downing the previously unbeaten Chicago Bears, 14-0, at the Polo grounds.

That victory yesterday elevated the Giants to eastern division leadership as the Philadelphia Eagles came from behind to beat the Redskins at Washington, 28-24, and push them down to second place.

Despite their loss, the Bears remained atop the western division since the Chicago Cardinals trounced the champion Los Angeles Rams, 34-10, in the Windy City and thus prevented the Rams moving into a first place deadlock with the Bears.

The Green Bay Packers replaced the Rams as runners-up by scoring a hard-fought 10-7 win over the tail-end Detroit Lions at Milwaukee. More than 62,000 fans watched Frank Filchock and Frank Leibel lead the Giants to victory.

The Pittsburgh Steelers scored 27 points in the second half to trim the Boston Yanks, 33-7, at Boston. The win moved the Steelers close to the third place Eagles. It was the Yanks' fifth straight loss.

Oregon Win Preps Albion for UISB Here

ALBION, Oct. 28—Coach Gene Cooper and his Albion Normal gridders had returned here today in fine fettle for what they regard as their No. 1 contest of the year—that with the University of Idaho southern branch eleven at Lincoln field in Twin Falls at 2 p. m. Saturday.

The normal lads had reason to feel confident. They came home with a 20-14 victory over the Eastern Oregon College of Education at LaGrange after the Mountaineers had been overwhelming favorites to capture the contest.

Cooper's eleven came from behind to win the game after a whirlwind opening quarter.

The game had hardly gotten under way before the home eleven scored. Albion fumbled the kickoff on its nine-yard line and Eastern Oregon recovered the ball. The home team also made good on the conversion.

The Mountaineers kicked off to Albion after the touchdown and on the second play Gene Bledsoe (Buhl), playing left halfback, smashed off tackle for 64 yards and a touchdown.

Before the opening quarter was over Albion scored again. A 23-yard pass into the end zone accounting for the touchdown.

Then in the third period, quarterback Ernie Knee, Albion, intercepted a pass and ran 68 yards for a touchdown.

Another recovered Albion fumble put the Oregon team in a position to score its second touchdown in the final quarter.

Albion came out of the game with a minimum of injuries, leading Coach Cooper to predict that his team would enter the southern branch game Saturday in the best condition of the season.

Douglas Bean, athletic officer for the local post of the American Legion, which is sponsoring the game between Albion and UISB here Saturday afternoon, today said that he expects a crowd of 2,000 fans from nearly every Magic Valley locality to see the contest.

Tickets for the game have been placed on sale at Dell's, Trolinger Drug store and The Sporter in Twin Falls and in Rupert, Burley and Albion.

SPORTS

3 BIG GRID CLASHES FRIDAY

Titles Hinge On Result of Area Battles

After a comparative lull for the last three weeks because of the harvest vacation, Magic Valley will be found going full blast again this Friday with eight important games scheduled. Three of them will have championship bearings.

The game between the undefeated *Rupert Pirates of Coach George* Hays and the once-defeated Gooding Senators of Coach Elmer Parke to be played on the Gooding gridiron probably will attract the most interest. If Rupert wins, the Pirates will be in a fair way to gain their first championship since the formation of the Big Seven conference, while if Gooding triumphs the Solons will have a similar opportunity.

Shoshone Meets Wendell

Meanwhile at Wendell, the Trojans of Coach Keith Judd will battle the Shoshone Redskins, coached by Norris Wilson, for the championship of the northern division of the class B 11-man conference. Neither team has been beaten by a team in its class.

The team that the Wendell-Shoshone winner may meet for the league championship at Lincoln field in Twin Falls next month may be selected at Kimberly. The Bulldogs will oppose the Castleford Wolves there.

Filer at Burley

The Big Seven will get back into full swing. In addition to the Rupert-Gooding game, two other league contests will be played. Coach Rulon Budge's Burley Bobcats, who are unbeaten but tied in conference play, will entertain the Filer Wildcats. In the other Oakley will travel to Buhl.

Coach John Reagan's Fairfield Mushers, who are unbeaten and are seeking their second straight class B six-man crown, will play two games. Tuesday afternoon, the Mushers will entertain Richfield, while on Friday Bellevue is scheduled to play at Fairfield.

Other 11-man games will show Hailey at Glenns Ferry and Murtaugh at Hagerman.

Vandals Prepare For Montana Tilt

MOSCOW, Oct. 28 (AP)—Despite Saturday's 26 to 13 loss to Oregon, Idaho football stock went up a step on the university campus today as the Vandals prepared to meet Montana at Missoula next Saturday.

The defeat was the fifth straight for Idaho but gave 7,500 homecoming fans their first real chance to cheer this season, produced a brilliant new passing star in halfback Billy Williams, and actually threw a scare into the vaunted, undefeated Ducks.

There are 25,000 barn fires in the United States annually.

Army and Notre Dame Top List of Six Major Unbeaten, Untied Grid Elevens

NEW YORK, Oct. 28 (AP)—Army and Notre Dame, still immune to the "upset epidemic," led the parade today as the college football campaign headed into its final month. With UCLA, Pennsylvania, Georgia and Harvard they remained the only undefeated, untied major elevens. Three teams—Texas, Tennessee and North Carolina State—boasting untarnished records up to last Saturday, fell by the wayside. Northwestern, Oregon and North Carolina U., each tied once, remained undefeated.

Unless they are bitten by the upset bug next week, Army and Notre Dame will present spotless slates when they meet at the Yankee stadium Nov. 9. Each enjoys a comparative breather next Saturday, the West Pointers tuning up with twice-beaten West Virginia and the Ramblers engaging the below-standard Navy midshipmen, who have dropped four in a row since their opening game triumph. Army has won six games and Notre Dame four.

Spotlight on South

The pigskin spotlight next week will center on the south where the Georgia Bulldogs take on Alabama. The Crimson Tide, Rose Bowl champions, bounding back from an unexpected defeat by Tennessee with a 21-7 win over Kentucky last Saturday, will provide the sternest test yet encountered by Georgia, which has knocked off five foes in a row.

Southeastern fans also will be treated to fine games in Durham, N. C., where fast-rising Georgia Tech tangles with the Duke team which gave Army some anxious moments, and in Knoxville, Tenn., where the once-beaten Tennessee Vols attempt to hang the first defeat on North Carolina.

In the southwest, Rice and Texas A. & M., tied for the conference lead, take on Texas Tech and Arkansas, respectively, in a pair of games that may scramble the standings. Texas, victim of a stunning 18-13 upset by Rice's fighting Owls, tries to regain some of its fading glory against formidable Southern Methodist.

Illinois Opposes Iowa

The Big Nine dominates the midwestern section. Illinois, aiming at the conference championship after a dismal start, takes on Iowa. Michigan attempts to return to the win column against Minnesota. Ohio State, finally looking like the powerful team it had been cracked up to be, meets Northwestern, with only a tie to mar its otherwise spotless five-game record, and Wisconsin plays Purdue. Indiana clashes with Pittsburgh in an intersectional game.

Unbeaten Penn tackles Princeton in an Ivy league game in the east, and Harvard hopes to remain in the select class by knocking off stubborn Rutgers.

The far west presents three important games, headed by the UCLA-St. Mary's tussle Friday night. On Saturday, Southern California meets Oregon and Stanford tackles Oregon state.

Wholly Unexpected

While Rice's victory over Texas rated as the week's most amazing upset, Wake Forest's 19-6 triumph over Tennessee was wholly unexpected. The Vols had whipped mighty Alabama, 12-0, the previous week, while Wake Forest was trimmed by North Carolina State. Last Saturday N. C. State itself suffered its first loss of the season to twice-beaten and twice-tied Virginia Tech 14-6.

Northwestern remained unbeaten by trouncing College of the Pacific, 26-13; Oregon beat Idaho by the same score, and North Carolina whipped Florida, 40-19.

Geneva College Halfback Leads Nation's Scorers

NEW YORK, Oct. 28 (AP)—Larry Bruno, a halfback on the Geneva college team, led the nation's football scorers with 61 points today as the field headed into the final month of the season.

Scoring 10 touchdowns and adding one point after touchdown, Bruno enjoyed a five-point edge over his nearest competitor, Andy Victor, Oklahoma City university.

Although Glenn Davis, army, had tallied 54 points with nine touchdowns, the next sectional leaders by conferences were Tony Minisi, Penn., in the Ivy league, Paul Barry, Tulsa, in the Missouri Valley conference and Lloyd Merriman, Stanford, in the Pacific Coast conference, each with 48 points.

Better Goose Hunting Period Now Expected

Reports coming from various parts of the Magic Valley indicate that a sudden change in the weather bringing concentration of the birds may give nimrods a better than usual goose hunting season.

Heavy flights of geese have been reported, but so far there have been no reports of hunters bagging the prize birds.

W. R. Priebe, generally regarded as the Magic Valley's No. 1 authority on ducks, says there are fewer ducks on the lakes and streams now than at the season's opening Saturday. However, hunters have hopes of good duck hunting soon.

The pheasant hunters continue to bring in full bags. From every part of the area reports say the hunting is much better than a year ago although the birds are scattered and hunters must work hard to get the limit.

10 STROKES BELOW PAR

RICHMOND, Va., Oct. 28 (AP)—Herman Keiser, Akron, O., the newest star in the golfing skies, had $2,000 in prize money and the Richmond open title today, and the satisfaction of beating a golf course which took the big out of big name golfers a year ago. He toured the 6,354-yard Hermitage country club course in 67, five under par, in the final round yesterday for a 72-hole total of 278—ten strokes better than par.

Poor Attendance May Force Coast Pro Loop's Fall

LOS ANGELES, Oct. 28 (AP)—Representatives of the Pacific Coast Professional Football league scanned boxoffice returns of the week's far-flung schedule of games and came up today shaking their heads.

Competing in Los Angeles and San Francisco with major league pro football, the baby loop may be forced to throw in the towel—although spokesmen here remained mum on such a possibility.

A mere 507 fans turned out at Gilmore Stadium yesterday to see the Los Angeles Bulldogs, oldest independent team here, make their season's debut in Los Angeles. The stadium seats 18,500.

The San Francisco Clippers drew an estimated 10,000 in the bay city Friday night, 3,500 attended the Salt Lake Seagull-Sacramento Nuggets game in Salt Lake City Sunday, while in Hawaii an encouraging 16,800 saw the local warriors bow to the Oakland, Calif., Giants, 27-17, Friday.

In league competition, Los Angeles retained its lead in the southern division, handing the San Diego Bombers their fifth straight loss, 35-14.

San Francisco remained in second place behind Tacoma, Wash., in the northern division, winning from the Hollywood Bears, 17-14. Tacoma was idle. Sacramento walloped Salt Lake City, 7 to 0.

It's not that we don't love our work!
WE DO LOVE our work—but these days, we almost dread leaving home and going to our showroom.
So many people want new Packards, and there are so few coming through!
But you can't build cars without materials!
The factory is straining every effort to get more parts and material so production can be increased.
We're doing our best!
Some cars have been shipped with wooden bumpers, some without window regulator handles. This costs the factory a lot of money, for it means that replacements must be shipped and installed later.
Under such difficulties, it's a wonder the folks at the factory have done as well as they have. This year, compared to the same period of 1941, Packard has built a higher percentage of cars than the industry as a whole.
We don't dare predict!
Our customers have been so patient that we'd like to sound some optimistic note.
But word from Detroit says that parts and materials are still scarce. Steel continues to be limited. Shortages of lead, copper and other materials are looming up.
Scrap iron has been so scarce that Packard started the ball rolling on a nation-wide collection drive!
Take care of your present car!

Cattle—active and steady to firm; top $36.50.

NEW YORK, Oct. 28 (AP)—Falling trends, on a relatively slow market, dominated today's transactions in stocks.

Leaders, with the exception of scattered issues including Gulf Mines, pursued the lower drift after a fairly active opening. Declines of fractions to 3 or more points were widespread at the close with dealings quickening a bit in the final quarter hour. Oils exhibited more than usual heaviness. Transfers ran to around 900,000 shares.

Prominent on the offside were Standard Oil (NJ), Texas Co., U. S. Steel, Bethlehem, Youngstown Sheet, Chrysler, General Motors, U. S. Rubber, Goodrich, Kennecott, Johns-Manville, Southern Pacific, and Great Northern.

Sears Roebuck, like a number of other stocks, failed to reflect a pleasing dividend. The company voted an increased extra.

Bonds were mixed.

Grain

CHICAGO, Oct. 28 (AP)—Wheat and oats were strong in today's grain futures trading. Inability of cash traders to purchase more than small amounts of wheat and oats in the country together with light receipts at terminals was reflected in the futures trading.

At the finish wheat was 1½ to 2 cents higher than Saturday's close, January 2.04. Corn was ¼ to ⅝ lower, January $1.36⅝-½. Oats were ⅜ to 1⅞ higher, November 84¼-½. Barley was unchanged, November $1.36½.

Petition Filed by Widow for Estate

Petition for letters of administration in the Ralph W. Qualls estate has been filed in Twin Falls county probate court by the widow, Edna Qualls.

The estate consists of a farm near Buhl valued at $21,500 and furniture and household goods worth $1,200, according to the petition, which states that no will was left by Mr. Qualls, who died March 31, 1946.

Children are Clifford Qualls and Blanche Baker, Twin Falls; Helen Swall, Roseburg, Ore.; John Qualls, Buhl; and Betty Block, Seattle, Wash.

Hearing on the petition has been set for 10 a. m. Nov. 6.

Attorney is J. H. Barnes, Twin Falls.

Don Diego de Vargas headed the reconquest of New Mexico in 1693 after the Pueblo Rebellion of 1680.

Gendarmes Rough

Helen Potter, 37, ex-WAC, of Detroit, Mich., is seeking damages from French government for injuries she says were inflicted on her by French gendarmes when she was struck with rifle butt as she tried to cross the Champs Elysees during a parade in June, 1945. (NEA telephoto)

Extra Bus on Through Run Next Monday

Addition of an extra Greyhound bus on the Salt Lake City to Portland line through Magic Valley and a complete change in schedules was announced Monday by Max L. Brown, Twin Falls manager. The new schedule will go into effect next Monday.

There will be five "through" buses to Portland and Salt Lake City and two local schedules to Idaho points, Brown said.

Eastbound buses will leave for Salt Lake City at 12:45 a. m., 4:40 a. m., 11:20 a. m., 4:10 p. m. and 10 p. m. A local bus will leave for Pocatello for connection with Montana points at 7:15 p. m. and a "local" will arrive from Boise at 9:55 p. m. Twin Falls is the terminal for that schedule, Brown said.

Westbound buses will leave Twin Falls for Portland at 4 a. m., 9:45 a. m., 2:55 p. m., 7:25 p. m. and 11:05 p. m. A "local" will leave for Boise at 7:30 a. m. and another leaves at 12:30 p. m. for Boise and Weiser.

Brown said that all "local" runs and four of the "through" schedules would go through Jerome, Wendell and Gooding. Eastbound runs arriving in Twin Falls at 12:40 a. m. and 11:10 a. m. take the northside route and other "through" schedules are over the southern route through Buhl. Westbound runs leaving Twin Falls at 4 a. m. and 7:25 p. m. go through Jerome, others through Buhl.

Hunt House Units Ready for Moving

HUNT, Oct. 28—Two more Hunt hospital buildings were being readied today for moving to Magic Valley towns for construction of homes and apartments, Bert Weston, one of the owners of the hospital buildings, said.

Work was begun moving of one of the large hospital wings to Wendell, where 21 houses will be erected across the street from St. Valentine's hospital. The hospital building will be moved in 21 units. When constructed each of the houses will be 21 feet by 30 feet and will provide four-room houses for Wendell veterans.

Moving of the last of eight sections by the Morrison-Knudsen company to provide barracks space for employes at the Lower Salmon falls near Hagerman was also underway today.

Surveys were being made today to determine the best route for a building to be moved to Twin Falls for conversion into a home for Gerald Packer, Weston said. Efforts are being made to ascertain whether it would be more satisfactory to cross Hansen bridge or the rim-to-rim bridge with the former hospital building.

Hospital Board to Choose Officers

Organization meeting of the newly-appointed 15-member Twin Falls county general hospital board will start at 8 p. m. today at the court house, according to the board of county commissioners.

At that time, Chairman Ernest V. Molander of the commissioners will administer the oath to the hospital board members, after which the board will elect its officers and prepare to take charge of county hospital affairs on a non-partisan basis.

The board, representing communities throughout the county, was recently named by the county commissioners under relatively-new state legislation in a move toward better hospitalization. Present members will serve for periods ranging from one to three years.

Navy Unit Here To Be Discussed

Efforts to obtain a naval reserve unit in Twin Falls will be discussed at the Jaycee-sponsored Navy day dinner at 7 p. m. today in the Park hotel, it was announced this afternoon.

Capt. Walter E. Brown, commandant of the Pocatello ordnance plant, and Capt. Clifford H. Roper, his assistant who will assume command of the plant Nov. 1, will speak. A movie on the atomic bomb test at Bikini will be shown.

Navy veterans may still obtain tickets at the Chamber of Commerce office or at the door of the banquet room this evening. Jaycees were urged by Bob Warberg, vice-president, to bring navy veterans as guests.

Faces Check Charge

Crannel Rouse, 24, resident of the Twin Falls area, was apprehended by Twin Falls city police Monday morning and turned over to county authorities to face a charge of writing checks without sufficient funds.

The complaint upon which he was arrested is signed by H. McDrummond.

Florist Here Chairman for Flower Week

CHICAGO, Oct. 28 (AP)—Appointment of J. C. Williams of Twin Falls as Idaho state chairman of National Flower week was announced today by the president of the Society of American Florists, Granville Gude.

The week is scheduled for observance Nov. 3 to 10.

J. C. Williams of the Twin Falls Floral company, following his appointment as state chairman for National Flower week Nov. 3-10, said Monday he will contact Gov. Arnold Williams this week for official designation of the 1946 dates.

The governor is expected to issue a proclamation setting the week in Idaho to coincide with the national dates.

Williams and other Magic Valley florists returned late last week from Salt Lake City after attending a two day special school held at the Hotel Utah by the Florists Telegraphic Delivery association. Those attending in addition to the Twin Falls man were Mrs. David Fox, Buhl; Bert Klink, Jr., Burley; Bill Henscheid, Rupert.

Six Arrested for Week-End Gaiety

Six arrests were made by Twin Falls city police over the week-end on charges involving disturbance of the peace and intoxication.

Floyd Long was apprehended at 12:55 a.m. Sunday at a local cafe on a charge of intoxication and disturbing the peace by fighting.

Scheduled to appear in municipal court this afternoon is Matthew L. Lewandowski, Twin Falls, who was apprehended at 11 p.m. Saturday in the 600 block of Fourth avenue north and charged with disturbing the peace by window peeking. He was released under $150 appearance bond.

Jewell R. Horn, 35, Homedale, was fined $10 and suspension of his liquor permit will be recommended by the court, after he pleaded guilty to intoxication in public.

Released under $15 bonds on intoxication charges were J. O. Martin, Crealey Walker and Jose Parrez.

Robins Invited to Halloween Dance

Wayne Skeem's orchestra will play for the free Halloween dance sponsored by the Republican central committee Oct. 31, J. B. Thayn, executive secretary of the party, announced Monday.

Dr. C. A. Robins, GOP candidate for governor, Lela D. Painter, state treasurer nominee; Donald S. Whitehead, lieutenant governor aspirant, and probably John Sanborn, candidate for congress, will attend the dance, Thayne said.

Meanest Man Bid

Latest meanest man nomination: Whoever stole the Safety Sally sign from the street near Immanuel Lutheran church.

Theft of the sign, designed to slow down motorists approaching the school district, was reported Monday to Twin Falls city police by H. J. Henning.

Legion Meet Will Hear Leguineche Attack Continued

William F. Galloway, blunt-speaking Idaho American Legion commander who is spear-heading a Legion drive against what he terms communist elements in the state, will continue his series of talks accusing congressional candidate Pete Leguineche at the fifth district American Legion convention Tuesday night at Twin Falls Legion hall.

Galloway's talk, which carries the endorsement of the Idaho Legion's Americanism commission, will brand the Democratic candidate as "the young flag-waving non-veteran who is the fair-haired boy of the PAC-CIO."

The convention program calls for a business meeting at 5:30 p. m. Tuesday, followed by banquet and Halloween party and dance at 7:30 p. m.

Several hundred Legion and auxiliary delegates from Burley, Albion, Buhl, Eden, Filer, Rupert, Hazelton, Kimberly, Paul and Twin Falls will attend, according to District Commander Max L. Brown, Twin Falls.

Shoshone Pioneer Dies at 80 Years

SHOSHONE, Oct. 28 — Charles Sibin Myers, 80, died late Saturday night at his ranch home near here. He was born in Rockport, Ind., Sept. 16, 1866, and came to Hailey, Jan. 1, 1884, where he operated freight teams for the mines in Alturas county.

He married Nellie Scot Walter Dec. 25, 1885. She preceded him in death in 1899. He then moved to Colorado and Utah where he farmed. On Feb. 10, 1901, he married Anna Johnson at Green River, Utah.

They moved to Lincoln county in 1905, farmed the former Pat Hughes ranch, and then purchased the Spud Murphy ranch in 1908 where he has resided since.

Survivors include his wife, Shoshone; four sons, Claude, Paso Robles, Calif.; Walter, Richmond, Calif.; Howard, Macdoel, Calif.; Ted, Shoshone; five daughters, Mrs. Evelyn Mabbutt, Shoshone; Mrs. Ruby Watson, Boise; Mrs. Edna Cassell, Bliss; Mrs. Rose Bliss, Gooding, and Mrs. Rita Griffith, Jerome.

Funeral services will be held at 2 p. m. Wednesday in the Masonic hall at Shoshone. Burial will be under the direction of the Thompson funeral chapel, Gooding.

Heyburn Artist to Resume His Class

Olaf Moller, Heyburn artist, will resume his art classes in Twin Falls Nov. 8, he announced Saturday. The classes will be held at 7:30 p.m. each Friday in the basement of the Episcopal Church of the Ascension.

A preliminary meeting to take up necessary materials for the art classes and discuss plans for the course will be held at 7:30 p. m. Nov. 1 at the church basement.

He said that during the winter classes would be conducted on landscapes, oil paintings and portraits. Moller conducted classes in Twin Falls prior to the war.

Buhl Farm Spuds 285 Sacks to Acre

One of the top potato yields of the area was reported by C. D. McClain, route 1, Buhl. On 70 acres of potatoes on his 240-acre farm three miles east of Buhl production was averaging 285 sacks to the acre.

Ninety per cent of the yield was No. 1 quality. McClain ships to eastern markets under his own brand, "Balanced Rock." His crop rotation is three years of alfalfa, one year of potatoes and one year of beets.

Knull Grange Gives Obligation to Five

Five new members were given the Grange obligation at a regular meeting of the Knull organization Friday night, according to C. E. Grieve, master.

The new members are Mr. and Mrs. Ed Tolbert, Marvin Arnold, and Mr. and Mrs. W. C. Custer.

Mrs. F. M. Dowett, lecturer, read a story which details were supplied by members, and she also led the group singing.

All local Granges will meet in Filer Nov. 1.

Tires, Wheels Taken

Theft of two tires and two wheels from a parked pick-up truck near the canal bridge east of Hansen has been reported to the Twin Falls county sheriff's office by Thomas Bryan. Size of the tires, which are new, is 600 by 16.

The first excursion train of the Santa Fe railway reached Las Vegas, New Mexico, in the year 1879.

Gillette Appeals For No Mischief On Halloween

Police Chief Howard Gillette Saturday night appealed to the sense of responsibility of Twin Falls parents and to the spirit of sportsmanship among their children to eliminate malicious mischief and vandalism on the approaching night of Hallowe'en.

"It is the duty of all parents to see that their children realize the importance of not damaging other people's property, and I feel sure that I can depend upon the sportsmanship of our youth in asking them not to engage in destructive activities," the official said. "We all know that there is no glory in being the sly thief who sneaks about in the night and damages the property of others, and I feel sure that our young citizens see it the same way."

Chief Gillette also pointed out that the days of hanging the front gate from a telephone pole are past, as nearly any Halloween activities would result in destruction of valuable property in an age when automobiles and other equipment are by necessity left in the public streets. At this particular time also, the scarcity of parts and equipment in general necessitates the conservation of all property as much as possible.

"I feel sure that when this factor alone is taken into consideration no thinking boy or girl will do anything that might result in loss or destruction of someone else's property," the official added.

Jerome Arranges Episcopal Session

JEROME, Oct. 26—The fall meeting of the Twin Falls deanery of the Episcopal church in the missionary district of Idaho will be held Tuesday, Oct. 29, in Calvary church, Jerome, beginning with a celebration of the holy communion at 11 a. m. The Rev. E. Leslie Rolls, Twin Falls, dean, will be the celebrant, assisted by the Rev. F. V. C. Ward, Rupert. The Rt. Rev. Frank A. Rhea, Boise, will give the meditation.

The afternoon session will be presided over by Mrs. A. L. Norton, Twin Falls, deanery president, and will include addresses by Mary Elizabeth Griffith, director of Christian education at St. Michael's cathedral, Boise, and the Rev. A. E. Asboe, Pocatello. There will also be reports from the different guilds in the deanery. Women are expected from Twin Falls, Rupert, Burley, Hailey, Gooding, Shoshone, Buhl and Jerome.

Driving Law Study Headed by Lowery

GOODING, Oct. 26—Twin Falls County Sheriff Warren W. Lowery was named by the Magic Valley Law Enforcement Officer's association to head a committee of three to study proposed legislation relative to the Idaho driver's license law.

Serving with Lowery will be Jerome County Sheriff Lee S. Johnson and Cassia County Sheriff Saul H. Clark. They will report back at the November session to be held in Cassia county.

Fred S. Craig, Gooding county sheriff, president, was in charge. Twenty officers attended the session here Friday night.

Residents of West Decline Federal Jobs

By WILLIAM E. LOWELL

WASHINGTON, Oct. 28 (AP)—Apparently there's little yearning among westerners for a government job in the national capital.

Out of the nearly 6,000 jobs available to residents of western states, only a little more than 2,400 have been claimed.

Under the civil service act of 1583, certain departmental jobs in Washington are parceled out to the states on a population basis. These represent about half the total number of federal jobs in Washington. Applicants with veterans preference are outside the quota.

Employes Listed

An October report of the civil service commission listed 232,389 paid employes of the government in Washington, 111,651 of them women.

Not one of the western states has filled its quota, although a very few are close to the limit.

In fact, only 14 states are over quota. Most of these are fairly close by, though they include North and South Dakota, Nebraska and Kansas.

Exceed Quotas

The greatest number, 9,277, claim the federal district as home, though its quota is only 272. Maryland workers number 2,554 and Virginia 2,797 but their quotas are only 746 and 1,098.

In contrast, here are the number of employes credited to the western states, with the quota figures in parentheses:

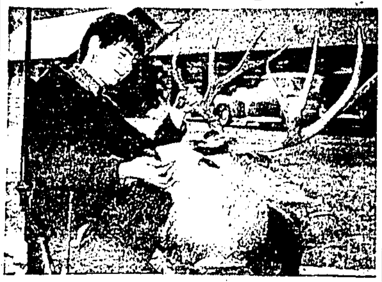
California, 597 (2,831); Arizona, 86 (205); Oregon, 209 (447); Idaho, 11 (215); Washington, 376 (712); Nevada, 26 (45); New Mexico, 139 (218); Wyoming, 64 (103); Utah, 195 (226); Montana, 210 (228); Colorado, 443 (460).

BUHL MEN ELECTED

BOISE, Oct. 28 (UP)—E. E. Corn, Caldwell, today remained the president of the Idaho State Gideon society. Other officers elected at concluding sessions of the convention here include Earl Mills, Buhl, secretary.

Mark Twain wrote 23 books.

Author's Son Bags One



A nice buck, good enough to hang in anybody's den, and Patrick Hemingway looks as though he believed so. Patrick, son of Ernest Hemingway, famous modern author, killed his buck on the special Warm Springs preserve hunt and has reason to be pleased, his first big game trophy, a nice one, with a 29 inch symmetrical head. Patrick, like his father, is no newcomer to the Sun Valley country, having spent several seasons there before the war and though Sun Valley is not yet open, couldn't keep away from what he says is the "best fishin' and huntin' country" in all the west. The Hemingways live in Ketchum and as usual, are having a fine time during their first visit to the country since 1941. (Sun Valley photo by Lloyd R. Arnold-staff engraving)

CVA Labeled "Straw Man" By Candidate

Democratic candidates have "set up a straw man" to divert voters' "attention and interest from the real campaign issues," Cong. Henry C. Dworshak, Republican senatorial candidate, asserted in Twin Falls over the week-end.

Dworshak in a statement issued here said the straw man "was a shimmering halo of glorious promises of things to come. In this campaign their straw man is the Columbia valley authority—the CVA . . . Their straw man is full of holes through which voters can discern the issues which demand imperative action."

The congressman said "contrary to what the Democrats would have you believe, we Republicans have as big a stake in the future development of our great state as any other group of citizens. We live in Idaho, our homes and farms and businesses are in Idaho, and we are constantly striving to aid the Gem state in achieving the growth it so richly deserves. We differ with the new dealers only as to the methods we would utilize."

"Basically," Dworshak continued, "our plan for the fullest development of Idaho's resources would utilize existing state and federal agencies with reclamation as the primary object. Power considerations would be only secondary and complementary."

U S farm fire loss is more than $90,000,000 annually.

POT SHOTS

SIGNS OF THE TIME

One of our sleuths captured the following note in a certain downtown business establishment, written from one employe of said establishment to another Saturday.

"FLASH—There are 'commodities' in rolls at the ——— ——— market today."

(We omit the name of the market on account we don't want to start a mad dash for said market.)

CRISIS, VERY

We have it on the authority of the Red Cross itself that there are a lot of babies on the way in Twin Falls—and no diaper material, absolutely none, to be purchased, begged or borrowed.

This, as anybody can appreciate, is indeed a crisis.

Red Cross Secretary Helen Bailey asks us to ask this of the gals whose babies have graduated to training pants—Dig into your bureau drawers and bring those diapers to the Red Cross office for resale to veterans' wives who are expecting arrival of Little Angels. Little Angels must have something besides a halo.

Mrs. B says for heaven's sake don't use those outgrown diapers for dish towels or dust rags.

MEMO TO A HUNTER

Dear Pot Shots:

When a stranger generously gives you a nice piece of venison and leaves before you have recovered enough to more than barely stammer your thanks, what do you do? I'm hoping you can pass this along, where maybe he will see it.

To The Tall, Dark Hunter, who was helping can so many cans of venison that Wednesday at Jerome canning kitchen: Thank you very much for the venison. It was a treat we really enjoyed. I finally got the pumpkins canned and wish I could repay your kindness with pumpkin pies—or do you prefer apple?
